

Tools for Change: Levers and Incentives for Integrating Patient Care in Ontario
SYMPOSIUM—APRIL 26TH
St. Andrew's Conference Centre, Toronto

A G E N D A

8:30 am

Registration and Continental Breakfast

9:00 am

WELCOME AND EVENT OVERVIEW

Objective: The agenda has been organized with the objectives of: (i) identifying barriers to providing integrated patient care that are associated with financial systems/payment; (ii) profiling innovations, “work arounds” to address barriers; and (iii) identifying areas for action. The expected outcome is a call to action—recommendations for both immediate steps and longer term objectives.

Cathy Fooks

President and CEO, The Change Foundation

KEYNOTE ADDRESS

9:15 am

Howard Dean

Six-term Governor of Vermont, Chairman of the Democratic National Committee (2005–2009), physician, and author.

9:45 am

Questions and Answers

Steven Lewis—Moderator

Research Advisor, The Change Foundation, and Health Policy Consultant

10:15 am

SHOWCASING THE INNOVATIONS

Objective: To profile challenges, barriers, disincentives associated with the funding and payment methods, and innovations to address these barriers, the impact of the innovations, and the potential to apply the innovation more broadly across the Ontario health system.
