Independent Auditor's Report on Summarized Financial Statements

To the Members of
The Change Foundation

The accompanying summarized financial statements, which comprise the summarized statement of financial position as at March 31, 2012 and summarized statement of operations for the year then ended are derived from the audited financial statements of The Change Foundation for the year ended March 31, 2012. We expressed an unmodified audit opinion on those financial statements in our report dated July 16, 2012.

The summarized financial statements do not contain all the disclosures required by Canadian generally accepted accounting principles. Reading the summarized financial statements, therefore, is not a substitute for reading the audited financial statements of The Change Foundation.

Management's Responsibility for the Summarized Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements on the following basis.

The summarized financial statements include all information contained in the complete audited financial statements, except for a statement of changes in fund balance, a cash flow statement, notes and other explanatory information.

Auditor's Responsibility

Our responsibility is to express an opinion on the summarized financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".

Opinion

In our opinion, the summarized financial statements derived from the audited financial statements of The Change Foundation for the year ended March 31, 2012 are a fair summary of those financial statements on the basis described above.
